April, 2020

Dear Special Friends,

Hello this evening, on Friday, April 3, 2020, and I'm in Texas, USA, over six weeks earlier than planned. Thanks so very much for praying for me in this time of crisis, when the whole world is facing the terrible coronavirus, which has spread to almost every country. God will see us through!

I'm praying for you! I've been asking God to protect you and your family, wherever you are, from all sickness, and surround you with His angels to watch over you at this time. If you're sick, or someone you know is sick, I'm praying for healing and restoration to good health, in Jesus' name.

Hold on to His promises, especially in Psalm 91, where He said He would be with you in trouble (verse 15), and no plague would come near your dwelling (verse 11). It's one of my favorite Psalms!

In Isaiah 54:17, God promised "No weapon that is formed against thee shall prosper." He didn't say there would be no weapon that would come against you, but He said those weapons would not prosper!

A few days ago, the world began to change, while I was ministering in East Africa, and in the country of Tanzania. Borders closed, airports closed, and travel became very hard. I almost got stranded in Tanzania.

I couldn't get back to Kenya, where I had left things I didn't need in Tanzania, like half of my clothes, some important files, etc. When I couldn't even get back to Nigeria, where I live, I miraculously was able to get a ticket to fly to the U.S., a little over a week ago now.

There's a stay at home order here, but a friend was able to take me to a store to buy foodstuffs to last for a while, praise God. I'm praying for you, that you'll be able to find a way to get the food you need, too! God is our great Provider, and He cares for you!

My heart is very much in Africa, as always! I had planned to be in Nigeria during this whole month of April, to get my next printed newsletters to send out, and also my new book of my life story and over 52 years in Africa. Now, these things have been put on hold, of course, but we can keep in touch through my monthly E-mail updates, phone calls to my US number (281-471-4109), and my Whatsapp number (+233-244151345).

I'm determined to witness to as many people as I can, as so many are full of fear and anxiety in this time of uncertainty and confusion. I've already been able to pray with two people here to be saved, and to receive Jesus as their personal Saviour. Try your best to tell people about Jesus, too!

Please pray every day for me, and remember my four Prayer Points: God's Anointing, God's Provision, God's Protection, and God's Strength. That's APPS!

Last week, I sent money to two different village churches in northern Ghana, to quickly put a roof on them, and to finish all the plastering of walls inside and outside, flooring, windows, doors, etc., before the heavy rains come very soon. They are at Kasape and Konchin-Gberuk, churches No. 90 and 91.

We have ten other churches in different parts of northern Ghana in different stages of construction, too. I praise God for the support from God's people in many countries, to help me do the work of God. I praise God, and give Him all the glory!

Yes, the letter "A" is for the month of April, but "A" is also for the word "Awesome," too! I'm praying for God to do something AWESOME in APRIL for you! Trust Him for testimonies this month!

Love, Doris Hokett
