REV. DORIS A. HOCKETT
MISSIONARY EVANGELIST
since 1966

April, 2022

Dear Special Friends,

Good afternoon from **Nairobi, Kenya**, on **April 14, 2022** as I'm here today. I've finished my usual time of almost two months in **East Africa** at this time of the year, in **Kenya, Uganda, Tanzania, and Ethiopia**.

Thanks so very much for your faithfulness to **PRAY** for me here in **Africa**, and also to **GIVE** to the ministry so faithfully all these years, too. **God** is using **YOU** to be a great blessing to me, since we came with all our hearts to **Ghana** in **1967**. Please continue, and **God** bless you!

I should have been back in **Nigeria**, where I live, by now, and I've missed **Ethiopia** this time. For the past over one and a half weeks, I've been suffering from sudden lower back pains, coming unexpectedly, and lasting for two or three seconds. We've prayed a lot, so they are coming less and less now.

A physiotherapist has come almost every day for over a week now, and he's helped me a lot, praise **God!** Please especially pray for **God's STRENGTH**, one of my usual four prayer points everywhere I go. They are: **God's ANOINTING**, **God's PROVISION**, **God's PROTECTION**, and **God's STRENGTH**, or **APPS**.

I'm trusting **God** for total healing, in the mighty **Name of Jesus**. I'm definitely getting better, slowly, but surely, as friends like **YOU** pray!

I'd like to travel back to **Nigeria** next week, if possible, to work on the next printed newsletters, and to prepare for my usual trip to the **U.S.**, from the first part of **May** till **July**, to spend time with our son and his family, and to minister in many different places.

If you're anywhere near on **Friday, June 3**, try to come to our **International Service and Supper**, always on the first **Friday** in **June** every year, at **Faith Assembly of God Church, 3940 Vista Road, Pasadena, Texas 77504, at 7:00 PM**. Bring a dish of food for the table, and enjoy a great time of fellowship!

There are always testimonies to share! A man testified in a service in **Tanzania**, about how he prayed for a car for three years, as he lived very far from the church, and now he has a car! **God** answers prayer!

I prayed for a group of teenagers here in **Kenya**, to make good grades on a very important big exam, and they all passed well. **God** helps students in their studies, and puts smiles on their faces!

The lady I'm staying with here in **Kenya** right now, has a wonderful ministry, helping very needy children with food, whenever she can, and **God** is using her to be a great blessing, even to those on the streets.

A pastor's wife testified about how I had prayed with her and her husband, for their teenage daughter, who had lots of problems, and had dropped out of school for a long time. She's now back in school, doing well, and the family is praising **God!** "**With God, all things are possible**" (**Mark 10:47**).

The churches in northern **Ghana** are getting built, and we'll help the next one soon, a village church at **Zaangum (Church No. 111)**. The people at **Yunyoo (No. 110)** have already started on their church roof. We've helped rewire the church at **Banawa (No. 100)**, after an electric surge in the wires burned them, and destroyed the ceiling fans. It's a miracle the whole church didn't burn down! Their big church dedication is coming on **April 30**. We're getting ready to help with plastering, flooring, doors, windows, etc., at **Karaga, Zabzugu, Kankidina, and Lampoga**. There's so much to do, as **God** provides!

The church at Tatala had a big dedication recently on **March 20**, and I got a lot of nice pictures, as well as short videos from the pastor, who is so grateful for your help to build the church. Please keep praying for this very important part of the ministry, to help build churches, and do all you can to have a part!

Yes, this month of **April** begins with an "A," and the word "Awesome" also begins with an "A," too! I'm praying that **April** will be an "Awesome APRIL" for you, in **Jesus'** name! Have a **Happy Easter**, too!
Love, **Doris Hokett**
