December, 2022

Dear Special Friends,

Good evening on **Monday, December 5, 2022**, while I'm here in **Johannesburg, South Africa**, right now. I'm finishing almost two months of ministry at my usual time in **Southern Africa**. I'll leave in a few days for **Nigeria**, where I've lived so many years. I've been in **Zambia, Zimbabwe, Swaziland (now Eswatini), Botswana**, and **South Africa**, on this trip, from the middle of **October** till now.

Thanks so much for always **praying for me**, and **giving your offerings** to help me go to the nations all these years! You're a great blessing to me!

I could never do it by myself, for sure! Over fifty-five years in **Africa** now, and the past eleven years without my sweetheart, **Arthur**, would be impossible without **Jesus**, who has been with me every step of the way. **He** promised, **"I will never leave you, nor forsake you" (Hebrews 13:5)**. **He'll** go with you, too!

There are always testimonies, everywhere I go, and in **Zimbabwe**, a lady testified about how **God** healed her last year, when I prayed for her. She had a very serious skin problem, and spots on her skin that wouldn't go away. They began to disappear, praise **God**, as **Jesus** healed her! **Jesus** still does miracles, and **He** heals today!

A lady in **Botswana** had lots of pain in her back, when she tried to bend over and **Jesus** instantly healed her that night in the service! She could bend over easily, without any pain, when **Jesus** touched her. **He'll** touch you, too, even this very minute!

I'll be in **Ghana** again soon, leaving after **Christmas**, and ministering there till the first week of **February**.

Please be praying for me, going by road all over the country to the villages, towns, and cities, as always.

Three more of the churches we're helping build in the **North** will have big **Dedication Day** services, and be officially opened in **January**, praise **God**! This week, **God** has provided the funds to help them finish the buildings, with the wiring, fans, and painting.

The first will be at **Kankidina**, where the chief is a faithful member, on **January 7**, the second will be at **Karaga on January 14**, and the third at **Zabzugu on January 21**.

Also, we're able to help two churches this week with doors, windows, plastering the walls inside and outside, flooring, etc., at **Naagu** and **Janania**.

Pray with me for several more churches in northern **Ghana**, being considered right now, as they're ready for a roof and needing help as soon as possible. Will **YOU** have a part, and help me to help them, by sending a special offering???

When I get back to **Nigeria**, where I've lived for over thirty-four years now in a big apartment, the huge move to a smaller apartment will have to be completed during the few days I'm at home. I'll need lots of prayer for all the stress and hard work!

Several faithful friends have been working and moving things, since I left in **October** for **Southern Africa**, and doing their best, while I'm away.

Yes, this month of December begins with the letter "D," and the word "DREAM" also begins with the letter "D," too! I'm praying for YOU, that in this month of December, you'll see some DREAMS to come true! May it happen in this last month of the year, for sometimes, **God** saves the best till last!

MERRY CHRISTMAS AND HAPPY NEW YEAR!

Trust **God** for the **New Year** of **2023** to be filled with miracles and breakthroughs, in **Jesus'** name!
Love, **Doris Hokett**
