Dear Friends,

January, 2022

Hello this morning, on **Saturday, September 25, 2021**, while I'm at home in **Lagos, Nigeria**, for a few more days. **God** is so good, and I praise **Him** for all the miracles so far this year! I trust **Him** for more!

Thanks so very much for praying for me, and giving to the ministry, as I've been in seven different countries this year, with five more to go yet in **2021**. I'll be in **Southern Africa** soon, ministering in Zambia, Zimbabwe, Swaziland, Botswana, and South Africa, at my usual time every year.

GIVE GOD YOUR BEST, AND GOD WILL GIVE YOU HIS BEST!

SOME AMAZING TESTIMONIES

GHANA - - A pastor told me his big testimony, as we're helping him build a church in northern **Ghana**. He was deep in sin as a young man, he was a womanizer, and even a drug addict for twelve years. He was drunk, when someone took him to a pastor to pray for him. He became sober, and gave his life to **Jesus**, who totally changed him! Miracles happen, when you come to **Jesus**!

NIGERIA - - A lady in **Abuja**, who is a good friend of mine, was persecuted in her workplace, her fellow workers told lies about her, and even used witchcraft against her, trying to destroy her. Sometimes, she called me, and was in tears, so discouraged, and even her health was affected. I prayed for her, and encouraged her to stay at her job.

Recently, she took a big exam for promotion, and made the highest grade! She got a very big promotion, and is now over some of the troublemakers! **God** can put the enemy to shame, and change your story!

GHANA - - We dedicated two more of the churches we're helping pastors to build in the villages and towns in northern **Ghana**, when I was there again recently. One was in the town of **Gbedema on July 31**, and the other was in the town of **Wulinsi on August 14**.

There will be two more to dedicate the next time I'm in **Ghana**, in the town of **Datuko on January 1**, and the other in the town of **Tampia on January 15**. Several more are under construction, and new ones since my last newsletter, at **Jonshegu (No. 102)**, **Kurugu (No. 103)**, and **Zangu (No. 104)**. Praise **God**! you have a part, when you give to the ministry. Please give an extra offering to help me build more churches!

ZAMBIA - - A young boy had very severe pains in his neck, and it was really bad as he sat in a service where I was ministering. I prayed for him and others after I finished, and his pain was gone instantly!

GHANA - - The big **Ten Years Remembrance** for my beloved husband, **Rev. Arthur E. Hokett**, was a great success on **August 7** in **Walewale, northern Ghana**. Many, many pastors were there, and the church was full. One pastor of a large church in **Accra** drove in his car for at least fifteen hours to get

there, and give his wonderful tribute for my husband. Another pastor came by road from **Nigeria**, and took two and a half days to get there! Others gave their tributes, and some sent theirs to be read in the service. The people gave a wonderful offering for the ministry, to help build more churches in **Ghana**.

The same day was my **82nd birthday**, and we also celebrated that, plus my **54 years in Africa**, too!

TANZANIA - - A lady gave her testimony about how her brother-in-law was a troublemaker, and caused a lot of problems in the family, till **Jesus** saved him. She also had prayed for all of her children to get excellent grades in school, and every one of them did very well! **God** answers prayer!

NIGERIA - - A lady testified about how she met us in 1997 in a crusade, when she was suffering from something like malaria that wouldn't go away. It was like a demonic attack on her health, and she said, "My deliverance is coming!" She made sure that my husband was the one to pray for her, as others were also praying for people, too. Her suffering was over, and she didn't need her medicines again!

ZAMBIA - - A lady told about losing her job last year, and as she prayed for a new job, her former boss called her, asking her to come in to sign a new contract! God surprised her!

PERSONAL NEWS

I actually celebrated my 82nd birthday (which was on August 7) four different times with a birthday cake this year! The first was at the big Ten Years Remembrance for my husband, on **August 7** in **Walewale, Ghana**; the second was at a big church in **Accra, Ghana** on **August 29**; the third in **Nigeria** at **Capital Assembly** in Abuja on **Sept. 19**; and the fourth time was with the children at **Covenant Academy** in **Abuja** on **Tuesday, Sept. 21**.

I've had a wonderful reception for my new book, "My Heart is in Africa," and I give all the glory to **God**. Several times, the people in the services have bought every copy I had with me!
