**November, 2022**

Dear **Special Friends**,

Good afternoon on **Friday, November 4, 2022**, while I'm ministering in **Harare, Zimbabwe**, for a few days right now. I arrived yesterday from **Zambia**, where I ministered for three weeks, in three different parts of the country. This month, I'll also be ministering in **Eswantini, Botswana, and South Africa**.

**Thanks, thanks, thanks**, for your prayers, that mean so much to me! As you pray and give, I can keep going! I've continued to travel and minister in twelve different countries this year, seeing **God do signs, wonders, and miracles**.

People need **JESUS**, and I want to keep going with the good news, that **Jesus saves, Jesus heals, Jesus baptizes in the Holy Spirit, and Jesus is coming again!!!** I want to tell everybody about **Jesus! Do you???**

Last month, I mentioned my big move to a smaller apartment in **Nigeria**, where I live, after being in the same place for almost 34 years. Please pray for my friends there, as they do their best this month to move as much as possible, while I'm ministering here in **Southern Africa** at this time. It's a huge job, for sure!

When I get back to **Nigeria** next month, we'll try our best to finish everything, and with **God, He** always helps us, when we call on **Him!**

I've been hearing amazing testimonies in the past few days in **Zambia**, and I want to share a few with you.

A lady had something like a hole in her eye, and the eye doctor called it a "depression." It caused her lots of problems, till **Jesus** touched her, and healed her. Now the doctor can't see it again, praise **God!**

An older man had prayed for each of his children to get a good education, and finish in the **University**, as he had never had a chance for higher education. **God** has done it, and his last child is graduating soon from medical school! One of his sons is now a lawyer! **God** answers prayer, and the impossible is possible!

A lady came to see me, and shared her testimony, about how she and her husband had several children, and so many problems in their marriage. Finally, they separated, and she had a lot of bitterness in her heart towards him.

He came to her, much later, and begged her to forgive him for all the hurt he had caused her. It was hard, but **God** really helped her, till she could forgive him. He came back home, after they had been separated for ten years. **God** is the **God of restoration**, and **He can restore broken relationships!**

We continue helping build churches in the villages and towns in northern **Ghana**, with nine in various stages of construction right now. The pastor at **Gnani**, building **Church No. 114**, sent pictures today, showing the roofing sheets are being put in place. As you give your offerings, we can continue!

There are others to help, and I'm praying about several new ones, ready for a roof. As **God** provides the funds, we can do it! Others need windows, plastering, flooring, finishing, etc., so the needs are great.

Yes, this month of **November** begins with "**No**," and it's the only month like that! I'm praying for you, that in this month of **November**, you'll have **no sorrows, no setbacks, no loss, no pain, no failure, no disappointments, no accidents, no sickness**, etc., in the name of **Jesus!** Be blessed in **November!**

Love, **Doris Hokett**
