October, 2022

Dear **Special Friends**,

Hello, my **Special Friends**, on this **Monday** afternoon, **October 17, 2022**, While I'm in **Lusaka, Zambia**, in **Southern Africa**. I arrived here from **Nigeria**, where I live, last week, at my usual time every year for many, many years, to minister in five different countries in the southern part of **Africa**.

I'll be in **Zambia** for the rest of **October**, then in **Zimbabwe, Eswatini (Swaziland), South Africa**, and **Botswana** till the end of **November**, then in **South Africa** in **December**, and back to **Nigeria**.

Thanks so very much for **praying for me**, and for **giving your offerings** to help support the ministry. They come from many people in several different countries, and I'm so very, very grateful!

I was ministering in **Nigeria** for most of **September**, in **Lagos** and **Abuja** (capital of **Nigeria**). **God** has done miracles in **Nigeria**! People have given so many testimonies of divine intervention in hopeless circumstances, and **God** always makes a way, where there seems to be absolutely no way!

A man in one place testified about how his cellphone was stolen out of his hand, when he had to stop in traffic, and he grabbed his other phone, to check his bank accounts. When the thief started transferring his money out of his bank account, the man quickly reversed it, and was able to miraculously transfer the money in his other accounts to a safe place. He didn't lose anything, after all!

For over a year now, I've faced a big challenge in **Nigeria**. We've lived in the same nice, big apartment for almost thirty-four years, ever since we moved from **Ghana** to **Nigeria**, and traveled all over **Africa**.

The whole house was suddenly sold to a new owner, who sent word to all the tenants and businesses to move out. Several of us have made appeal after appeal to stay, and I've tried my best, prayed a lot, and nothing has worked out, so all the last tenants have promised to move by the end of **December**.

Sometimes **God** answers "**Yes**," sometimes "**NO, because I have a better plan**," and sometimes **He** answers, "**Wait, it's not yet time**."

I've found another apartment in the same area, but it's quite a lot smaller, and the rent has to be paid for a whole year in advance, plus repainting the whole place, building another kitchen cabinet, etc. It's hard to figure out where to put everything for the ministry, plus all the accumulations of 34 years!

Very dear friends are preparing to move as much as possible while I'm away, from now till the second week in **December**. That means lots and lots of hard work in **December**, before I leave for **Ghana** after **Christmas**! "**With our God, all things are possible**," as I know so very well from **Mark 10:27**! Thanks for praying a lot for me now, and especially in **December**! Thanks for praying for my friends helping me!

The churches that we're helping to build in northern **Ghana** continue to get built, and right now, the latest two churches are starting to get the roof on at **Gnani(No. 114)** and **Zaangum (No. 115)**. I've seen nice pictures of the roof on the new churches in **Naagu** and **Janania**.

Plastering and flooring is going on at **Lampoga**, and dedications are taking place at two of the village churches in **October** and **November**, so I'm expecting their pictures of the big event!

The three to be dedicated in **January**, in the towns of **Kankidina (Jan. 4)**, **Karaga (Jan. 11)**, and **Zabzugu (Jan. 18)**, are still needing to be finished before then. That means wiring, putting in ceiling fans for the weather that's always hot), and painting. Thanks for your offerings to help build more churches!

Several of the new churches have been having revivals and outdoor crusades, to win more souls for **Jesus** in northern **Ghana**! Many of the pastors have been having water baptism for new converts, after a time of many weeks of teaching. **Jesus** is coming soon!

Yes, the letter "**O**" is for **October**, but it's also for "**Overcomers**," too! I've been praying for you to be an "**OVERCOMER**" in this month of **OCTOBER**, and have many testimonies! The tests and trials are so many, as **Satan** tries his best, but his best is not enough, when you have **Jesus**! Remember, "**Greater is he that is in you, than he that is in the world**" (1 John 4:4).

Love, **Doris Hokett**
