February, 2023

Dear **Special Friends**,

Good afternoon today, **February 22, 2023**, from **Nairobi, Kenya**, where I'm ministering right now. I came last week from **Lagos, Nigeria**, where I live, and it's my usual time every year to minister in four different countries in **East Africa**, till the first week in **April**.

I'll be in **Kenya, Uganda**, and **Tanzania** in **February** and **March**, then in **Ethiopia** for a few days in **April**.

Thanks so very much for **praying for me**, and for **giving to the ministry**, as that keeps me going all the time, here in **Africa**.

I arrived back from **Ghana** in the first week of **February**, after ministering there for five and a half weeks, and dedicating three of the churches we're helping to build in the **North**.

In **Lagos**, I came to a completely different apartment, and the move was finished on **December 31**, after I left for **Ghana**. It's quite a lot smaller than the place I've lived for over 34 years, so it was very unfamiliar.

On the second night, the electricity suddenly went off, and it was totally dark. I lost my balance, not finding anything to grab in the new place, to break my fall. My left knee got a terrible bruise on the joint, but thank **God**, it wasn't a fracture!

My good friend, an excellent physiotherapist, came to help me every day till I left **Nigeria**, and I'm still walking slowly with a walker frame. Thanks for praying for me, as my leg gets better and stronger every day, in **Jesus'** name!

I'm very sorry to be so late in **February** with my usual monthly E-mail update, but I've done my best!

In **Ghana**, during the whole month of **January**, I was on the road, mostly in the **North**, traveling everywhere in my trusty vehicle, with my faithful Ghanaian driver, who helps me a lot.

There were three more churches that were finished in the **North**, and big church dedications at **Kankidina on January 7**, at **Karaga on January 14**, and at **Zabzugu on January 21**. There were lots of smiles, and lots of joy at each place. People are always so happy, when I can help them put a roof on the church, and together, we finish the churches!

We've been able to start helping more new churches in villages and towns during **January** and **February**, praise **God**!

They are at **Gbanyanmi (No. 116)**, **Kparakpiri (No. 117)**, at **Nanpotibouk (No. 118)**, **Bootinga (No. 119)**, and **Nsunia(120)**.

There are several more, almost ready for a roof, and they need help right now to finish. Please help me to help them!

There are always testimonies to share! A man in **Nigeria** told me that his wife of many years told him that she needed to share something with him. She will soon be 50 years old, and a voice had been telling her for ten years, that she would die before her 50th birthday! Also, that she would never see her teenage children finish in the **University**, or be at their **weddings**! **Satan** had tormented her, and she was full of fear.

Her husband immediately rebuked **Satan**, and the demonic voice she had been hearing, in the name of **Jesus**. He began to pray for her, and she was set free! **Jesus sets free!**

Yes, the month of **February** begins with the letter “**F**”, but the word “**FANTASTIC**” also begins with the same letter “**F**,” too. I’m praying that your **February** is a “**Fantastic February!**”

Love, **Doris Hokett**
