MISSIONARY EVANGELIST

May, 2023

Dear **Special Friends**,

Hi, on this **Saturday** night in **Nigeria**, while I'm at home in **Lagos** a few more days. We've just finished all the work we do twice in the year on the printed newsletters. Several volunteers always come to help, as they can, till it's finally completed. It's a huge job, and takes a full week or more.

I'm including a separate attachment with this E-mail update for **May, 2023**. It's a color copy of the whole newsletter, and it always includes quite a few pictures.

I'm leaving for the **U.S.** soon, and it's my usual time to go every year, **May 11 to July 7**. I hope to see some of you, or at least talk on the phone! My **U.S.** number is always **281-471-4109**, if you try to call me.

While in the **U.S.**, I'll be able to spend some time with our son and his family, also to minister in many different places. I love to share news and pictures of what **God** is doing in **Africa**, plus preach the **Word** everywhere I can, as many times as I can, to as many people as I can!

Most of the time, I'll be in the southern part of **Texas**, also a few days in **Miami, Florida**. Thanks for praying for me, living in a little one room apartment, traveling by road and by air for several weeks. I'll also be depending on friends to help me get to and from every place, too.

I hope you can come to the big annual **International Service and Supper** on **June 2**, at **7:00 PM**, in **Pasadena, Texas**, at **Faith Assembly of God Church, 3940 Vista Road**. It's a highlight of the ministry every year, when I'm at home in the **U.S.**! Some of the people who always attend it, tell me it's their favorite service of the whole year! Bring a dish of food for the table, if you can!

We continue to help pastors to build churches in the many villages and towns in northern **Ghana**! Last month, we started helping three more village churches in **Asawaba(No. 121)**, **Zaalale(No. 122)**, and **Mishio(No. 123)**. Also, we were able to help a bigger church in the town of **Gnani** with doors, windows, plastering, and flooring.

Now, in this month of **May**, we're trusting **God** to start helping three churches in the towns of **Woribogu(No. 124)**, **Bimbagu South(No. 125)**, and **Ngondema(No. 126)**, in different areas of the North.

In one more place, we plan to help put a roof on a small church in the village of **Ja-asi(No. 127)**, a new place where 26 people gave their lives to **Christ** in a crusade in **February**, and they began meeting under

a tree. In a few weeks, they starting putting up the mud walls of a small church, praise **God!** We want to help them to put a roof on it, as soon as possible. Evangelism in the villages is so exciting and rewarding!

Yes, the letter “**M**” is for the month of **MAY**, but it’s also for the word “**MORE**,” too! I’m praying for **YOU** in this month of **May**, to have **More Faith, More Grace, More Miracles, More Testimonies**, etc.!

Love, **Doris Hokett**
