August, 2018

Dear Special Friends,

Hello tonight, from Kumasi, Ghana, on Thursday, August 16, 2018. I've finished three and a half weeks in the North, and came here to southern Ghana two days ago now. I'm sorry to be sending my update so late in the month this time, but all my days have been so very busy.

Thanks so very much for always praying for me, traveling everywhere by road in Ghana. My trusty 1999 Toyota 4 Runner is very strong, and we had a lot of body work done on it, after I left in January. It looks almost like new now! My excellent and faithful driver takes very good care of it for me, when I'm in Ghana, and using it.

Your prayers and offerings are a big blessing to me, so please keep them coming! I depend on God's people everywhere to be a part of the ministry.

We've dedicated three more churches this month, of the ones we're helping to build in the towns and villages in the North. They're at **Paga Navio** on August 3, at **Gbeduri** on August 4, and at **Diare**, on August 11.

Each service was great, and the people did a fantastic job, preparing for all the visitors who came from far and near!

We've now finished and dedicated twenty-one more churches, since my sweetheart went to be with the Lord seven years ago this past week, on August 6, 2011. We have eleven more churches still under construction right now, and the latest is at **Biu**, in Upper East Region, Church No 76. There are so many to help, as God meets the needs.

I give all the glory to Jesus, as He keeps on providing the funds to put a roof on a needy church, and help the people to finish the building. As friends like you give offerings, it becomes possible!

I love to share testimonies! A lady in one place gave praise to God for answering prayer, after she wrote down her prayer points in our service two years ago. She wanted to graduate with excellence from the University, marry a good man, and deliver a baby boy. God did it all, and she has the only boy in the family, while all the others have had girls.

Another lady bought a key holder, from the ones we always have on display from different countries, along with lots of stickers, books, etc. She needed a car, so every time she saw the key holder, she prayed every day for the car, and God answered!

Just last night, a lady came to see me, after I had ministered, and told me how my sweetheart, Arthur, had prayed for her to have a baby, twelve years ago. She had a fibroid, and it looked almost impossible for her to get pregnant. But four months later, she did, and she has a daughter today.

Please pray for me, 79 years old, since my birthday last week. I just keep going, and God keeps me going! I'll be ministering in Nigeria the whole month of September, in the Lagos area, and also in Abuja, capital of Nigeria. I'll also be ministering in an Intercessory Prayer Conference and a Seminary, too.

We'll be finishing the designing and printing of the beautiful and colorful "Thought for the Day" calendar for 2019. It's the 28th edition, printed in Nigeria every year.

Yes, “A” is for the month of “**AUGUST**,” but “A” is also for the word “**ANSWER**,” too! May you see the **ANSWER** to a prayer you’ve prayed for a long time, in **AUGUST**! Remember Jeremiah 33:3, “Call unto me, and I will answer thee, and show thee great and mighty things, which thou knowest not.”

Love, Doris Hokett
