May, 2018

Dear Special Friends,

Hello from the U.S., where I'm ministering in May and June! It's Thursday, May 17, 2018, and I'm sorry to be later with my update than usual.

Thanks so much for your praying and giving, as I need them all the time! The U.S. is my seventh country to be in this year, and I have five more yet to go. I've ministered in Ghana, Nigeria, Kenya, Uganda, Tanzania, and Ethiopia so far, and I praise God for what He's doing as I travel.

I'm trying my best to keep up with everything, and your prayers are a great help! I'm ministering to many people in many churches, praying with people for so many needs, traveling by plane, bus, and car, making lots of phone calls, sending lots of E-mails, etc., and it's all from my heart.

I've already had the privilege of spending time with our son and his family, plus see our oldest grandson graduate from the University. I was so very proud of him that day!

On Friday evening, June 1, we'll have the big annual International Service and Supper. It's always at Faith Assembly of God Church, located at 3940 Vista Road, in Pasadena, Texas, and it begins at 7:00 P.M. Come and join me for a wonderful evening! You'll really be blessed!

In the printed newsletter, which people have been receiving this week, there were several typographical errors, so please take note. The date on the small yellow slip said that the International Service would be on Friday, June 5, but it will very definitely take place on **FRIDAY, JUNE 1**. It also said that I'll be in the US from May 20-June 4, but it's really April 29-July 14. Sorry for the mistakes!

Thanks for praying for me as I drive to all the places to minister. **Pray** for open doors and open hearts! **Pray** for more people to become partners with me in the work of the ministry, and to give their offerings to help. **Pray** for signs, wonders, and miracles!

This month, we've been able to help put a roof on a new village church in northern Ghana. Many people in this new place have gotten saved, and as they've given their lives to Christ, they started building a church in the village.

They got the foundation down, then the walls up, and were praying for a roof to get on before the heavy rains come soon. The pastor going there regularly on his motorbike from his own church, called me, asking for assistance. Praise God, they're smiling now, and are starting on the roof next week! God has answered their prayers.

Two other larger churches will be able to get a roof on soon, as we begin to help them, too! They're Church No. 74 at Zabzoaga in Upper East Region of northern Ghana, and Church No. 75 at Gbolo-Kpalsi, Tamale, in Northern Region. Pray for others in villages and towns that need help, as God provides.

God sent volunteers to help me, as we worked hard last month in Nigeria, getting all the printed newsletters ready again. The postage has gone up so very high, but I was able to mail the letters for Nigeria, and also most countries of Africa. I kept out all the letters for Ghana, to take there in July.

I shipped all the letters for US, Europe, and Asia to the US by air freight, and volunteers came to help get all the stamps on, and then take them to the Post Office last week. That saved a lot, praise God!

If you're not receiving the printed newsletters in the mail, let me know. I can try to send a copy to you by E-mail or Whatsapp, if I have your details. My own number is +233-244-151-345.

A few days ago, a man told me all his back pain had gone, as I prayed for him. A lady in another place had such terrible pain in her feet and legs before a service, so I prayed for her. Jesus touched her, and by the time the service was over, the pain was gone! Jesus is the Healer today, and He'll heal you, too!

Jesus is the same, yesterday, today, and forever (Hebrews 13:8). Put your total trust in Him today! "M" is for May, of course, but don't forget that the letter "M" is also for the word "MIRACLES," too! I'm praying for God to do some big MIRACLES in your life during this month of May! Be watching for them!

Love, Doris Hokett
