November, 2017

Dear Special Friends,

Hello this evening, November 2, 2017, from Ndola, Zambia, while I'm ministering in the Copperbelt here. I'm in southern Africa for two months, in five different countries.

Thanks, thanks, thanks so very much for praying for me! I need it all the time, traveling and ministering in so many places as I do. Thanks so much for your faithful giving to help support the ministry. You're a big blessing to me!

Praise God for every naira (Nigeria), cedi (Ghana), kwacha (Zambia), pula (Botswana), emalingini (Swaziland), rand (South Africa), birr (Ethiopia), dollar (U.S.), shilling (Kenya, Uganda, Tanzania), rupee (India), and every currency, which I receive for the ministry. It's all a blessing, as God uses people just like you, to meet every need. He's so very, very faithful, to me, and to you, too!

I'll be in Zimbabwe next, taking a bus all day to get to Harare. A man will go with me, and I'll send him back the next day. Later, I'll take another bus all night and half the next day, to get to South Africa. A lady usually goes with me to help, and returns the next day.

So it goes! Please pray a special blessing upon every person who helps all along the way. Three different friends here in Zambia, have taken me to the next place, and sometimes I take a bus. I always get there, to the villages, towns, and cities, where God prepares people to hear the Word as I minister.

Later this month, I'll minister in the kingdom of Swaziland, then in Johannesburg and Pretoria in South Africa. Then, on to Botswana, and next month, back to South Africa to minister till I go back to Nigeria, where I live.

Check my nice website, at www.hokett.org, if you don't receive my latest printed newsletter in the mail, dated January, 2018. Very soon, you can read it online, and there's a lot of pictures, also testimonies in it, too. Some of my previous newsletters and E-mail updates are there, too.

If you don't see the beautiful, colorful, new "Thought for the Day" calendar for 2018, you can also find it soon on the website. You can print it out, a month at a time, or the whole year. It's amazing! You can also see the calendars for 2016 and 2017, too.

There are always testimonies to share, and I hope to hear your testimony soon, too! A man here in Zambia told about how he lost control of a truck he was driving, and cried out to Jesus to help him not to hit anyone. There were lots of people around, screaming, and somehow, he was miraculously able to come to a stop, without hitting anyone! All the people were cheering for him!

A lady gave testimony about how she took all of her medical reports with her, when she traveled to Europe. The doctors had said she had a heart problem, and the reports were there. But, the doctors there in Europe, after thoroughly examining her, couldn't find any sign of a heart problem. Jesus heals!

Trust Him for your own healing, in Jesus' name today. Jesus is the Healer, and He still heals every sickness, as He promised in Psalm 103:3. He's the same, yesterday, today, and forever (Hebrews 13:8).

I receive lots of calls, E-mails, and Whatsapp messages (my number is +260-969-238-399),

from the pastors we're helping to build churches in northern Ghana. They send pictures and updates so often, to share news of the progress in the villages and towns in the North.

They're preparing for a big Dedication Day at Gambaga (No. 61) in January; plastering walls and flooring at Bimbago (No. 65), drying wet wood from the forest for the roof at Tinga (No. 67), almost ready to put the roof on at Kpakpagyili, Tamale (No. 68), and the roof is on at Kalbeo, Bolgatanga (No. 69). I praise God! Work is going on in other places, like Pwalugu, Paga Navio, Gbeduri, Diari, etc.

I've prayed with so many for healing, jobs, family problems, court cases, miracle babies, etc. Our God answers, and He will answer you, too! He said, "Call unto me, and I will answer thee, and show thee great and mighty things, which thou knowest not," in Jeremiah 33:3. Your problem has an expiry date.

This new month of **November** begins with the letter "**N**," but the word "**Now**" also begins with the letter "**N**," too. I'm praying for **YOU**, wherever you are, that this month of **November**, you'll be ready for a miracle **NOW!**

Love, Doris Hokett
