November 2020

Dear Special Friends,

Good evening on **Sunday, November 8, 2020**, from **Lusaka, Zambia**. I arrived three days ago from **Lagos, Nigeria**, where I live, to minister for three weeks in different parts of **Zambia**. Then, I'll go by road to **South Africa** for two more weeks.

Thanks so much for praying for me here in southern **Africa**, as I also pray for you, wherever you are. Thanks for giving and investing in the ministry, as it's a **big blessing!**

Many of you prayed for me to get a new passport, as mine was completely full. **God** heard and answered, as I was able to get an emergency passport for travel a few days before I left **Nigeria**. It's a very small one, but my regular, larger size one should be at the **Embassy** when I arrive back in **Nigeria** next month, so I can pick it up. **God** is so good!

The printing of my new book, "**My Heart is in Africa**," didn't get finished before I left, but it will be finished and ready by the end of this week or soon after that. I'm so eager to see it, and hope you can get a copy of it, my **16th book!** It has **112 pages** and **143 pictures!**

The printed newsletter is out, dated January 2021, and some have been mailed in **Nigeria**, while others will be mailed soon in the **U.S.**, and others taken to **Ghana** when I go there in **December**. Please let me know if you don't receive a copy, and I'll try to send one to you by **E-mail** or **Whatsapp**.

I was ministering this morning in two powerful services at a church here in **Zambia**, and two people came to me with their testimonies from last year, when I was here. A man told me now I prayed for his leg to be healed last year, and **God** has done it. He said he can now walk miles, without a problem!

A lady told me how she wrote down all her mountains to be moved, as I had asked the people to make a list, and begin to pray every day till the answer came. She got miracle contracts in her work, as **God** answered! You can make your own list, and begin to pray every day till the answer comes!

All the work to help build churches in the villages and towns in northern **Ghana** continues daily. The roof is getting on at **Datuko (No. 94)** and **Kankidina (No. 95)**. There was a very terrible windstorm at **Kankidina**, while they were working on the roof, and two walls were blown down. No one was injured, praise **God**, but they have lots of work and expense to build them up again. Can you help me with a special offering, to help them??? That would put smiles on their faces, for sure!

Always remember my four prayer points, please, for God's Anointing, God's Provision, God's Protection, and God's Strength. That's APPS, and very important to me!

Yes, the letter "N" is for the word "**November**," but the letter "N" is also for the word "**No**" too! Trust God that in this month of November, there will be **NO losses**, **NO sicknesses**, **No deaths**, **No setbacks**, **No breakdowns**, etc., in your family, in Jesus' name! "**No weapon formed against you shall prosper**," (**Isaiah 54:17**). In faith, **November** will be a **blessed** month, and you will see the glory of God!

Love, Doris Hokett
